

Joanie's Corner

It's official: summer vacation is over, school is back in session and mosquitos are still lingering around. Fall is supposedly here but the heat tells us otherwise. Mandatory water restrictions has nature looking a little drab dropping dead leaves rather than the red, golden and brown foliage floating gracefully to the ground. Nevertheless, life and exercise must go on. It was nice to take some time off to recharge the body's "batteries". We can pick ourselves back up anytime during the year and not worry about when is the time to do so. With the holidays approaching, our spirits will be flying high with anticipation of the end of the old year and in with the new. Always something to look forward to and not dwell on the past. It's never too late to start. So, let's get moving and feeling good again. This is an event for all four seasons. Healthy living.

LABOR DAY FISH FRY

It's always fun to have the Fourth of July and Labor Day fish fry. Thanks to Bob Sullins for playing hooky and going fishing for several days. The fish was prepared and fried by several of our senior chefs. Thanks to Jim Gray, James Marzano and Doug Shelfer for breading and frying the fish, fries and hush puppies in the sweltering heat. Of course, thanks to Matt Ipock for supervising and keeping things in an orderly manner. There were plenty of side dishes provided by our ever generous members and seniors. We are thankful for all our friends....you guys and gals.

BACK TO SCHOOL LUNCHEON

Even the retired teachers were invited to share in our love for luncheons! During the summer is when the members like to show off their well-earned muscles from months of exercising. Salads and desserts filled the tables that the members provided and their friendships were bonded. Thanks to all who participated in this fun event.

OCTOBERFEST

Get ready to crank up the tuba and accordion and dance to the polka! Bring your prize dish of sausage, sauer kraut, potato salad or anything German (or not!). This is a most fun event with beer being only \$1. Another German staple! Join us on Wednesday, October 22 at noon. We will also have a pumpkin carving contest. Prizes will be awarded so get creative with a scary or beautiful Halloween pumpkin face. Everyone will get to vote on this.

OCTOBERFEST - BRING YOUR FAVORITE GERMAN DISH

WEDNESDAY - OCTOBER 22, 2014 @ 12 p.m.

DON'T BE A VICTIM

Ladies, please do NOT leave your purse or valuables in the car or trunk. Every parking lot in the city experiences problems with break-ins and you don't want to be a victim to a crime that is preventable. Keep the car locked up and the alarm set. Noise is a distraction to the thief. Be observant and safe.

Lost and Found

If you can't find your stuff at home, you may have left it behind and most likely it's here at the Mav. Some people lose jewelry, watches, and glasses which are stashed in the front desk drawers. Please inquire with the front desk personnel of your lost treasure. Otherwise, Goodwill may have to make use of your items. Thank you.

Every year, 1215 of my relatives are abducted from the Maverick. I don't want to be next. Please use me as you want, throw me around, kick me, I don't care. Just please return me to my home when you're done with me. I am here to serve you but my owner gets very mad when I don't report back to work. Thank you, Towels.
